

**APPENDIX A-10**

**INDIVIDUALS LIVING IN INSTITUTIONALIZED AND NON-INSTITUTIONALIZED  
GROUP QUARTERS IN R.I.: 1990-95 & 2000**

<b>1990 U.S. Census</b>	<b>1995 Estimates</b>	<b>2000 Projections</b>
<b>Total in Group Quarters:</b>		
38,595 people	39,586 people	42,188 people
<b>1. Institutionalized:</b>		
14,801	15,357	16,554
a. Correctional Institutions:		
2,645	3,344	4,022
b. Juvenile Correctional Institutions:		
128	163	198
c. Nursing Homes:		
10,156	10,622	11,088
d. Other Institutions:		
1,872	1,228	1,228*
<p>"Other Institutions" accounts for people not mentioned elsewhere who are in formally authorized/supervised care or custody under a trained staff and are usually restricted to institutional buildings/grounds.</p> <p>Certain mental health, retardation, and substance abuse facilities were no longer in existence or had reduced client populations as of 1995. Many former residents of these facilities were transferred to "non-institutional" group homes.</p>		
<b>2. Non-Institutional Group Quarters:</b>		
23,794	24,229	25,634
a. College/University Dormitories:		
18,898	19,289	19,688
b. Military Quarters:		
2,851	1,994	1,994*
c. Emergency Shelters and Domestic Violence Shelters:		
546	497	497*
d. Other Non-Institutional Group Quarters:		
1,499	2,449	3,455

\*Figure left unchanged from 1995 due to insufficient data upon which to make an incremental projection.
